

**2019** What happened to your New Year's resolutions? One for us all in the Parish might be: Let us resolve to use our many gifts with a new courage and generosity to build up the life of the Parish and encourage one another. If we are disappointed with things in any way, let us not slip away and seek our personal need elsewhere, but let us see the value of building up community here and reaching out to the many that have perhaps lost sight of the Lord in our area. Let us welcome back those who are disconnected from the Catholic Community and this will begin best in prayer and especially at Holy Mass both on Sundays and at other times. We are presently and usually blessed with the opportunity to come to daily Holy Mass in our own parish church. Perhaps a good plan would be to make the effort to come at least one day in the week as well as fulfilling the Sunday obligation to attend Holy Mass. One might also pray the Rosary with others for Peace in the world.

*If you say you are too busy to play a part in the Parish more than simply by being here for Sunday worship, then perhaps you are simply too busy and missing out on some of the good things to be shared in the community here!*

*Why not have a little ponder and a re-think?*

*A little advice about having the Parish here – don't regard it as a mere option among many -YOU must use it or lose it and that must mean, therefore, supporting it in every way YOU can.*

**Remember God doesn't call the qualified—He qualifies the called.**

**Are you new to Ss Peter & Paul or have you been coming on and off for a number of years?**

It is good to find the church here when you need it, isn't it? We owe a great debt to those who provided it and supported it over many years and who still care for it lovingly and generously. A bequest to Father Bill M., O.S.M. from the estate of Mrs Carmel Shepherd will help re-gild the last of the chalices needing refurbishment.

You won't be unaware, however, that churches have closed in a number of places not far away from here and that might be food for thought.

You are invited to take a copy of the census form from the Church Porch, fill it in for THE PARISH RECORDS and return to the Parish Priest at the Priest's house (Presbytery). On Sundays, please do feel most welcome to go into the Apostles' Room immediately after Holy Mass for a coffee/tea and make new friends. Equally, if you are moving away from the parish, please let us know & don't just disappear. It may surprise you but Father Bill worries what has happened to you!

**Remember The Food Bank!** Thanks for continuing to help when you can. Everything needs to be in date please:- instant coffee, tea bags, DRIED FOODS; most kinds of tinned/cartons e.g. chopped tomatoes, tinned rice pudding, sponge puddings, dried fruit, UHT milk and Long Life fruit juice, packet cereals, vegetarian meals [packet or tinned], instant mashed potatoes, pasta sauces, biscuits, snack bars, chocolate and sweets. Fresh Fruit & Veg are not needed thanks because hard to store. Please leave your food donations in the box in the porch.

**Our parish has a long history** having started in the 1830's in the chapel of the Immaculate Conception first in Midford Castle itself and then later in a purpose built chapel; after that the Parish community moved to the chapel of Our Lady of the Snows in Prior Park College where it remained until 1965. We then opened the church that is here in which you stand. Will it be here for those who come after us?

**The Catechism of the Catholic Church, in its Compendium, enumerates the following five commandments of the Church: -**

**1. You shall attend Holy Mass on Sundays and on holy days of obligation.**

Don't wait for 6 strong men to take you to church. Come regularly under your own steam! Not just now and again, but again and again on Sundays!

**2. You shall confess your sins at least once a year.** When did you last do this?

**3. You shall receive the sacrament of the Eucharist at least once during the Easter season.** We must endeavour not to receive unworthily!

**4. You shall observe the days of fasting and abstinence established by the Church:** abstinence from meat (but not fish) on Fridays (except solemnities), and abstinence-plus restriction to one meal only on Ash Wednesday and Good Friday. Details vary, including some countries allowing for a different way of Penance on at least ordinary Fridays.

**5. You shall help to provide for the needs of your Pastors and the Church.** Are you comfortable that you are playing your part with that?

A CONSTANT THANKS TO ALL PARISHIONERS WHO GIVE OF THEIR GIFTS AND TIME WITH MUCH LOVE TO OUR PARISH COMMUNITY HERE AT Ss. PETER & PAUL.

**The Sign of Peace:** Many families and seniors are once again hit by viral 'Flu and illnesses of that kind some even ending up in Hospital. The Bishop's direction given some time ago to use another way of exchanging the Peace of Christ without hand contact is replaced here with our simple 'Bow' – no need for it to be theatrical / keep it simple - as the sign of Peace to avoid passing on by hand contact such troubles as Swine 'Flu and other strains of 'Flu that apparently are around again. Have you had your 'Flu jab yet? Hurry up and get it.

When in Rome do as the rest and so we ask our visitors and lead those less often here to do the same as the rest of us.

**Our Parish Open Forum** took place on Saturday morning 9th Feb, following the morning celebration of Holy Mass in an informal Parish Open Forum to hear about ideas for the future of Bath Catholic Deanery and other matters of interest in our own Parish. A small gathering. We chatted about the Deanery Pastoral Council Strategic Planning for the future in the light of Bishop Declan's "A Future Full of Hope". We discussed the proposals that

1) The DPC supports a parish collaboration process to develop a strategic pastoral plan for the Bath Deanery 2021 and beyond.

2) The proposed process is:- A questionnaire based consultation open to all parishioners managed through parishes. Leading to a working group review to shape a draft pastoral vision, associated objectives and outline plans. This draft vision, objectives and plans to be shared with parishioners through parishes prior to submission to the Bishop.

3) Proposed Timeline:- Consultation by May DPC; Draft vision September DPC, Submission November DPC

We discussed the proposal that in the Year of Prayer 2019, A May time Marian procession and prayer, to happen in the Parade Gardens on Sunday 19th May as part of the preparation for the rededication of England as the Dowry of Mary as programmed by our Bishops for Spring 2020. The Bishops have called for a 2 year spiritual preparation for this national dedication.

**The best help to us all as a Parish Community**

is to share spiritually in Holy Mass every Sunday but not just at weekends even daily if and when at all possible to be present at **Adoration**. Sadly, despite much talk about the Liverpool Adoremus Congress last September with meetings here there has been little follow up in increasing the presence at the various opportunities for Adoration here, though some of our Parishioners turn up faithfully on First Friday and others go to the Adoration Chapel in central Bath. Taking part in Adoration would be a key part of our Prayer in continuing the Diocesan Mission in Prayer and for Vocations to Priesthood and Consecrated Life!

### Knights of St. Columba

The Order of the Knights of St Columba was formed one hundred years ago in Glasgow. One of its many aims was to uphold the teaching of the Catholic Faith. We do this via discussions on the Catholic faith at our Council meetings. These are led by our Chaplain or Spirituality Officer and hopefully a Retreat is organised each year.

One of their other many aims is to support the local Parishes & Priests in our area; and we are pleased that your Parish Priest has asked us to talk to you today.

The Knights are also involved in organising various events.

Such as:-

Aylesford Pilgrimage in June

Glastonbury Pilgrimage in July

Recently – Rosary by the Coast

Now supporting SPUC with Rosary for the Unborn

### **What else do the Knights do?**

We look after our elderly & sick Bros and Council widows and where possible ask them to come to socials events or activities.

The Order runs various Painting and Prayer Competitions for our young people to enter; such as a Nativity painting Scene just before Christmas for Junior Schools, & an Easter Painting Competition during February to April for senior schools.

The Knights have a Crib which Father Bill has been kindly arranging its display in a Shop Front during Christmas since 2004 in the absence of any Knights in Bath. This is something that you could get involved in once you join the Knights.

So, the Organisation exist to support the mission of the Catholic Church, & at the same time working for the spiritual & material good of its members & their families.

We would like to continue these good works, via our local Councils as the Order itself is now celebrating its hundredth year.

To do this we need more members and so I am appealing to all practising Catholic men in the parish to consider joining the Knights.

By joining you will get to know local Catholic men in an Organisation that has a sense of belonging that shares your religious beliefs & brings together like-minded men in a common purpose, offering the opportunity to develop & cement friendships for years to come.

An Organisation who's guiding words are Unity, Fraternity & Charity.

Bro Knights will be available after Holy Mass to talk to you and take contact details, or give you leaflets with further information.

**CONFIRMATION:** the sessions take place as arranged with Father Bill M., O.S.M.

**FIRST HOLY COMMUNION:** Please be faithful to the meetings and the arrangement to help the children prepare. Children who made First Holy Communion last year and previous years are encouraged to support the new First Communicants and encourage them. Sadly some of those who made their First Holy Communion in previous years have already disappeared. Let's pray them back into our company and hope the adults of the Parish will give a good example of faithful and regular Sunday observance at Holy Mass.

### **PRAYER FOR PEACE:**

Christ, why do you allow wars and massacres on earth? By what mysterious judgment do you allow innocent people to be cruelly slaughtered? I cannot know. I can only find assurance in the promise that your people will find peace in heaven where no one makes war. As gold is purified by fire, so you purify souls by bodily tribulations, making them ready to be received above the stars in your heavenly home.

### **Alcuin of York (c.AD 735-804)**

### **Catholic teaching that attendance at Holy Mass every Sunday and Holy Day is a priority and obligatory as a duty for Catholics:**

A number of people in the UK and across the UK and Ireland is now following a mentality of Flexi-church attendance which is 'on the rise in the UK' and fewer individuals are making attendance at church a regular habit, new research suggests. Surveys recommend that Christian communities should help cultivate committed attendance. According to a 'YouGov' survey commissioned by The Times newspaper, the proportion coming to church "several times a year" rose from six per cent last year to seven per cent in 2018. But only five per cent this year said they go every week - a decrease compared to six per cent in 2017. The Catholic teaching that attendance at Holy Mass every Sunday and Holy Day is a matter of obligation is still holding as a teaching but for many it is not being observed. Think about it, folks! The Third Commandment requires that we keep Holy the Sabbath Day.

SPUC is currently campaigning to stop the decriminalisation of abortion, which means taking abortion outside the law. This is an unremitting threat to unborn children and their mothers in decades. Please help us defeat this increasing attack on unborn babies and their mothers, and use the SPUC card to the Prime Minister to help stop abortion getting even worse in this country by decriminalisation.

**THE TABERNACLE SANCTUARY LAMP** this week is burning before The Blessed Sacrament for **Sarah & David Bull and family.** The lamp before **The PIETA** is burning for the work of **BATH CATHOLIC UNIVERSITY CHAPLAINCY.**

If you would like the Sanctuary Lamp to burn night and day before The Blessed Sacrament for

yourself, for a loved one or a special intention please contact the sacristan with a written note stating the intention for inclusion in the bulletin AND Father Bill M., O.S.M. will ensure that is done. The suggested offering is £5.00.

**Thanks to all** who have put their names down for **CHURCH CARE** : There are still some dates left so do check on availability –

**ROTAS ARE IN THE PORCH.** It is a good way to get to know other parishioners. Thanks to families taking part in this task along with their children.

**We offer a reminder** - for those who have forgotten them - as to the Corporal works of Mercy. We might be surprised that there are Spiritual works of mercy too.

### **The Corporal Works of Mercy**

- Feed the hungry.
- Give drink to the thirsty.
- Clothe the naked.
- Shelter the homeless
- Visit the sick.
- Visit the imprisoned.
- Bury the dead.

### **The Spiritual Works of Mercy**

- Counsel the doubtful.
- Instruct the ignorant.
- Admonish sinners.
- Comfort the afflicted.
- Forgive offenses.
- Bear wrongs patiently.
- Pray for the living and the dead.

Great minds discuss ideas;  
Average minds discuss events;  
Small minds discuss people.

**A Group of Jazz Musicians** now meets in the Apostles' Room monthly to practice. Interested? Feel welcome to know more! If you have a musician in your family invite and encourage them to come along to join in Music making.

### **FINANCIAL MATTERS**

**THE REACHING THE UNREACHED Collection by the Children of the Parish & St John's School children for 'Reaching the Unreached' came to a combined total of £398.29p. This total may increase as some more tubes are in the pipeline!**

**The Offerings you made at the Parish Crib** [£35] over Christmas go to support the work of the Clifton Children's Society and were supplemented by an additional amount by a generous Parishioner which brought the total to £100.

**Thanks to all who seriously and generously play their part in funding the regular work of the Church here in our various needs and all other apostolates that go on from here.**

*We are grateful that you keep what you give under review and take seriously the need to support weekly the parish through regular covenanted and gift aided contribution. It recognised that we need to strengthen this. We constantly hope to be helped by seeing an increase in Gift Aided Offertory collections by those newcomers to the Parish Community and those who didn't realise this would help to achieve and ensure financial stability. Direct debit of your regular contribution ensures support even when you are not able to be present. It might be that one could remember the needs of the church in your Will as several deceased Parishioners have thought to do?*

There are three indicators of what it means to be an adult parishioner here:-

- I am part of the Parish Finance Plan (Gift Aid and planned Giving) & by Standing Order if at all possible for when absent or attending elsewhere that Sunday. If you don't fit into any of these categories below, then ask yourself if you might give it a thought and ask how to fit in!
- I belong to the weekly gathering here for Sunday Holy Mass with co-parishioners or those who live within the parish boundaries.
- I play a part in the Ss P & P Parish by being present regularly, sometimes doing a specific task such as cleaning, flower arranging, cake making, or taking part in one of the various parish groups

### **ANNIVERSARIES and LATELY DEAD**

We pray for the repose of the souls of all lately dead including Catherine Harvey, Daniel, Victims of the Storms worldwide, Victims of the atrocity in Kenya, Victims of all Wars and terrible Violence throughout the world & other natural disasters and for those whose anniversaries occur about this time including the Most Forgotten Holy Souls victims of Earthquakes, Typhoons, Fires and Floods & natural disasters in so many places & other tragedies, all who have died suddenly without time to prepare and for those being put to death simply for courageously following Christ in so many places, and for those whose anniversaries occur about this time including **Martin Hogan, Susan Sturgess, Martha Tinson, Marjorie Welbelove, Bernard Powell, Luigi de Pola, Fred Mountford, Calogero Baio, John Charles Matthews, Haley Aston, Thomas Malloy, Alan Sewart, Frederick Smith, Leonard Rice, Arthur Uphill, Peggy Ford, Mary Harris, Peter Robinson, Alice Mary Stevens, Peter Adams.** May they, together with all the Faithful Departed, our own loved ones, and the most forgotten Holy Souls have a full share in the Resurrection. One day you and all who worship here or have worshipped here over the years will

be glad to be remembered in prayer by those who come after us.

### **REMEMBERING SICK and INFIRM FRIENDS**

We make special remembrance of all the sic including Franek Rosikon, Anne Bardon, Dolores Elliott, Ron & Imelda Fuller, Harry Barron, Bridget Barron, James Barron, Mrs Marion Nash, Mrs Janet Gate, Simon McLoughlin, Ruth Saul, AJ Gate, Dorothea & Eddie Saul, Father Raymond, O.S.M., Sargon Jona, Mrs Phil Taylor, Mrs Betty Hawkins, Mrs Marion Frawley, Jim Bardon, MaryAnn Stewart, Michael Tucker, Chris Watson, Maria Walsh, Bernard & Kay Barron, Mrs Ann Griffin, Mrs Ann Perry, Mrs Maggie Keane, Mrs Ann Cusack, Charles Carr, Marie & Eugene Farrelly, Florence Boyall, Carmelo DeCesare, Paul DeCesare, Margaret McNally, Denzil & Philomena Lincoln, Mrs Madeleine Holyoake, Mrs Frances Samuel and all other parishioners and loved ones who bear illness and for those who care for them and for all who have been bereaved. The sick are always prayed for, even if a name does not appear on the list. Please advise us when people recover, so that the newsletter may alter hopefully with good news.

**"I never realised how well I was until I gave up thinking how ill I was." St. Theresa of Avila.**

**RCIA is a help to knowing God better** and aims to answer questions about our Catholic Faith. The famous phrase "don't keep the faith, share it" suggests we have to do a little encouraging of those who might be enquirers just needing an invitation to take a further step. Everybody is welcome even somebody from your own family, so please bring a friend and pray for those who do come to discover strength in their seeking of Christ and his Church in The Apostles' Room. Next session tba. We should also be helping those recent converts to take part in the Mystagogy ("interpretation of mystery") which is the final period of the initiation of adults and too often missed. During this period the meaning of the Sacraments is more deeply explained to those who have newly received them. Have you ever encouraged someone you know to come along?

**Respect for the Blessed Sacrament reserved in the Tabernacle outside the times of Holy Mass is very important.** Genueflection is a tome honoured way of showing reverence when we arrive in church and when we depart. Whenever we pass the Blessed Sacrament and especially during Holy Mass after the Consecration one ought to genuflect and teach children to do so. If you find it impossible to be silent in the church, then please make every effort to speak softly if only out of courtesy for those trying to pray and as an example to children in the Lord's house. Please feel most welcome to go into the Apostles' Parish Room immediately after Holy Mass for a coffee/tea and a chat with friends.

**Thanks very much for supporting this appeal.**

**In the Diocesan Year of Prayer now started,** we are trying to cultivate the ancient practice of reverential silence in the church so valued by our Holy Father Pope Francis and help all to benefit from SILENCE AT ALL THE SERVICES HERE AND TRY TO GIVE A GOOD EXAMPLE.

IF SOMEBODY IS PRAYING AFTER HOLY MASS OR AT ADORATION PLEASE LEAVE THEM IN PEACE HOWEVER URGENTLY YOU WANT TO HAVE A WORD. MOST OF YOU HAVE A PHONE TO CALL LATER. OR ONE COULD SURELY WAIT UNTIL THE PERSON HAS FINISHED PRAYING?

It might be the only time & opportunity some have to be alone with the Lord.

If you must talk in church  
– TALK TO THE LORD!

**Are you wrinkled with burden?  
Come to church for a Faith lift.**

**Confirmation preparation & growing in Faith as a group offers to all our young people –** wherever they are up to a chance to get to know one another. Life's knocks can make certain experiences of Faith seem less crucial even for the young but the steady rhythm of contact with our Lord and His Church can be a real rock. Impress upon the young that they are welcome here always as is each one of us. Help them to take seriously the practise of their Faith and to be aware with us of the Year of Faith now under way. Pray for Emil whose Inscription takes place this w/e and for our recently Confirmed parishioners. Do you have any young people at home who are somehow disconnected from us? Can you do anything about that? Example speaks louder than words and growth in Faith will happen through taking part in social things too.

*Ask what can U do to S\_PPORIT!*

**If you are here only occasionally, why not, before leaving the church today,** say a prayer that you will always find the house of God here when you return, and pray for those parishioners who have now gone before us who did so much to provide our church and all the things that have helped us to worship God in this Holy Place both in the past and the times when we feel moved to come. Let us pray for those who have drifted away from the life of Faith or for those who no longer wish to walk with us here.

**Are you new to Ss Peter & Paul?**

Newcomers to the Parish are always welcome here and at our recent Annual Christmas Fair many visitors commented on how welcoming our Parish is. Well done & Deo gratias! You are invited to take a copy of the census form from the Church, fill it in for THE PARISH RECORDS and return to the Parish Priest at the Priest's house (Presbytery). Please do feel most welcome to go into the Apostles' Room immediately after Sunday Holy Mass for a

coffee/tea and make new friends. Equally, if you are moving away from the parish, please let us know & don't just disappear. It may surprise you but Father Bill M., O.S.M. worries what has happened to you and if you are OK!

**Thanks for ongoing TIME CONSUMING efforts to provide Music** for our celebration of Worship here. The emerging Musicians of all ages are great to see. We know there are young and older singers among us who are able to enrich the celebration of our Sunday Liturgy and we want all who enjoy and can contribute to feel welcome to help have a word with AJ.

**Reception of Holy Communion**

**When we should and when we shouldn't?**

In our regular attendance at Sunday Holy Mass we may receive Our Lord frequently when we have prepared well. We should receive the Sacrament of the Eucharist **at least** once during the Easter season. We must only receive Him when we are in a state of Grace and not receive unworthily! If in doubt pop in for Confession and Reconciliation.

**Holy Communion is shared by the Catholic Community only with those who are Catholics united with the Pope in our belief in Catholic teaching about the Real Presence in the Eucharist, which of course teaches us that as Catholics we truly believe He is really there under the form of Bread and Wine.**

A problem frequently arises for many when we take part in funerals or weddings or Baptisms involving Christians of other traditions who are not in communion with the Pope, which for Catholics is very important. They are most welcome to receive a Blessing as are we when not in a state of Grace.

This restriction of giving the Blessed Sacrament to Catholics alone at Holy Mass is never to shut others out but is to express how our Faith as Catholics unites us in one belief, and so until the day we are united in Faith we must suffer the pain of disunity. No pain, no gain as the saying goes. It wouldn't be correct for us to share something so amazing with those who do not believe in what we hold that it truly is.

We must pray that eventually with the Lord's help we will be enabled to gain the unity we all desire so that when we are able to share in the Holy Communion it will be because we share what Christ taught us through the Church He founded..

Catholics will have or at least should have prepared to receive worthily by going to Confession as Pope Francis has asked. So, if you have been absent from Holy Mass often without good cause or just been careless about taking part or if one's life has fallen short of the values by which we should live, then we must fast from the Eucharist until we have put that right by sharing in

the Sacrament of Confession and Reconciliation. That is so beautiful and easy to do when we see it also as a meeting with Our Lord. In the meantime, always feel able to come forward to receive a blessing to strengthen you and to help you put things right so that you may once again receive worthily.

Therefore, if you are not a Catholic and not "in communion" with Pope Francis or for any other reason are not able to receive Holy Communion, then please feel welcome to come, if you wish, to receive the Lord's blessing from Father Bill OSM to give you help to be close to Our Lord in the way you are able to be.

**PILGRIMAGE OF THE BLESSED SACRAMENT IN THE PARISH.**

**Would you be able to invite close neighbours of your choosing into your home for a simple visit in a Pilgrimage of the Blessed Sacrament** around the Parish as part of the Diocesan Year of Prayer? Speak to Father Bill, M. O.S.M. with an offer of some afternoon / evening dates in mind so that he might be available to make the visit .

**Thanks to our first Friday of the month group** for preparing sandwiches and soup taking them down to Bath for the Homeless. Just turn up on First Fridays to help in the Apostles' Room on Friday afternoon at 2.30pm [N.B. new times to suit the sandwich makers] on **Friday 1<sup>st</sup> March** to help **with the preparation of the sandwiches and soup.**

**Thanks to those who have helped over the past** but not always been known to be doing so which might have given the impression of it being a one man show. We do this as Catholics in the name of the Parish and in the name and on behalf of our Parish Community. We now have a pool of 8 sandwich makers and one or two willing to make the soup, which is much appreciated by the Homeless. Newcomers who come along to help quickly pick up how it is done! Newcomers and veterans are always welcome to help.

**LIMITING OUR CHALLENGES IS A GREAT WAY TO ACHIEVE CERTAINTY BUT PERHAPS TESTING ONE'S LIMITS IS A MORE CERTAIN WAY TO ACHIEVE GREATNESS.**

**BETTER TO TRY TO ACHIEVE GREATNESS?**

**Holy Mass is offered from time to time as announced in honour of St Peregrine OSM –** patron of those suffering from Cancer and there will be the Blessing with the Relic of St Peregrine for oneself or on behalf of those for whom you wish to pray at the end of Holy Mass, and the Sacrament of the Anointing of the Sick for those who are ill or in fragile health. Feel welcome to arrange a private blessing with the Relic of St Peregrine O.S.M. by just asking Father Bill, OSM!
